August 2013**

Brighton Lite - the lite way to enjoy our flagship event

The Brighton Summer Congress has long been the jewel in the EBU's crown. The combination of sea, sand and (occasional) sun, with a wide range of bridge events to choose from has always made Brighton a popular venue for bridge players of all standards.

Brighton Lite is particularly convenient players in surrounding counties. Players can now play as little or as much as they like, taking advantage of new events and new timings to reduce the number of nights spent in hotels, to get home earlier, or just to relax for a little longer in the unique Brighton surroundings.

As well as being a national congress, Brighton Lite has so much to offer to surrounding counties and local bridge players. If you're new to the world of congresses or haven't been to Brighton for a while, why not give Brighton Lite a go?

We have set up a webpage for surrounding counties, which includes links and lots of other information.
